

## The One Stop Shop

**One call can fix it all.** Call Express Glass to get the expertise of our extensive network of contractors including locksmiths, sign writers, electricians and more. We coordinate them on your behalf to make sure your repair happens as quickly as possible and with minimum disruption to you.

A broken door or shopfront often means more than just broken glass. Locks, aluminium framing, sign writing, tinting and glass surrounds can be damaged as well. Coordinating all the specialists you need can be a frustrating and time consuming job.

Choose Express Glass and enjoy peace of mind.

**all day, all night, all over Australia**
