

24 / 7 Emergency Repair

Express Glass are Australia's emergency glass replacement specialists. We operate all day, all night, all over Australia, through our own Express team and via a network of trusted and reliable partners. No matter where or when you need glass repair, you'll get the same top quality Express Glass service.

The Express Glass Emergency Response Promise:
We guarantee to attend to your property in one hour for any genuine emergency – metropolitan areas only.

As Australia's leading emergency glazing supplier to the business sector, we provide emergency glass repair services 24 hours a day, 365 days a year, all across Australia.

Express Glass will always repair on the spot if possible! We have unparalleled industry experience in all facets of emergency repairs.

Shuttering and boarding up - If your premises require shuttering or boarding up, we are equipped to do this straight away. From building temporary doors, to major hoarding following disasters such as ramraids, Express Glass will secure your property quickly.

To talk to someone about how Express Glass can help you with your emergency glass and glazing, call us on 1300 666 234 or email service@expressglass.com.au.
