

## Doors, Shopfronts and Commercial Glazing

Express Glass understands that your shopfront creates your first impression. We will get it looking perfect again in the shortest possible time.

Our own fabrication centre combined with our expert team of project managers, joiners and fitters mean we can custom build to almost any commercial glazing application. Plus we do all this to the highest standard in the shortest possible time.

With 25 years of experience we have unparalleled industry know-how on all facets of emergency repairs including framed and frameless doors, shopfronts and awnings to name a few.

We can also coordinate locksmiths, signwriters and other contractors on your behalf so that you only need to deal with one company.

To talk to someone about how Express Glass can help you with your emergency glass and glazing, call us on 1300 666 234 or email [service@expressglass.com.au](mailto:service@expressglass.com.au).
