

Nationwide Coverage

Express Glass services all over Australia and even off shore. We recently reglazed a broken window for the Commonwealth Bank on Norfolk Island.

Any national supplier MUST rely on contractors to reach everywhere in Australia. Ask your glazier how they manage their contractors. Express Glass has been offering a nationwide service for 20 years... this means we have established long running and reliable relationships with our contractors. Our contractors understand that you might have unique systems and requirements and will adhere to them every time.

No matter where across Australia you have offices or premises, Express Glass has ONE PRICE, ANYWHERE IN THE COUNTRY!

Through our national network of associated companies, employing some 1500 licenced glaziers, we offer unrivalled 100% coverage of Australia, 24 hours a day, 365 days a year.

all day, all night, all over Australia
